Add-ons

- **\$50 each – Additional wireless microphone**
 - Available as a lapel clip-on, handheld, or headset
- **Separate ceremony setup added to DJ package**
 - Starting at \$100 plus the additional time required at the time rate listed in the chosen DJ package
 - 1 powered speaker
 - 1 wireless microphone
 - DJ and music library
- **Multiple DJ system setups**
 - Price varies based on specific needs, this is to be discussed between the client and a Powered AV representative ahead of time to confirm
 - May be required if using multiple rooms/locations at the venue
- **\$60 each – Additional powered speakers**
 - Provide better sound coverage for speeches in larger halls or with larger groups
 - Provide more volume for dancing with large groups
 - Can also be used to run audio to adjoining rooms/spaces, to allow simultaneous sound in multiple rooms/spaces
- **\$35 each – Additional dance lights**
 - Reverse mirror ball for slow dancing
 - Laser
 - Dance light
- **\$30 each – Décor up-lighting**
 - Adds colour to the room, and can accent objects in the room
 - Choose from a variety of vibrant colours
 - Minimum 6 lights
- **\$25 – 16” Spinning colour wheel**
 - Great for contests/giveaways
 - Can be used as part of a kissing game for weddings
 - Personalize what each of the 5 colours represent or request a suggestion list
- **Travel time**
 - Only applied if the venue is in excess of 1 hour 15 minutes away from the centre of Ottawa
 - Examples: Montebello, Kingston, Toronto, Perth, Montreal, Cornwall, etc.
 - Price to be discussed on a case by case basis
- **Second DJ**
 - Starting at \$250, contact Powered AV for an exact quote
 - Allows for greater interaction with your guests, from taking requests to reading the crowd to doing interactive dances (if desired)

- **Projector**
 - 2500 lumen short throw - \$200
 - 3500 lumen short throw - \$250
 - Both include:
 - VGA or HDMI connection options
